EDUCATION AND TRAINING

12/10/2018–Present

PhD in Political Science and International Relations: Security and Defense
EQF level 8

Catholic University of Portugal's Institute for Political Studies (IEP), Lisbon (Portugal)

Thesis title: "The Twenty-First Century Conflicts"

06/10/2014–Present

PhD in History, Studies of Security and Defense
EQF level 8

ISCTE – Instituto Universitário de Lisboa (ISCTE-IUL), Lisbon (Portugal)

Comprehensive and systematic knowledge in the fields of History, Defense and International Relations. Thesis title: "Counterterrorism, and Fundamental Human Rights after 9/11".

06/10/2014–11/06/2015

Third Cycle Postgraduate Diploma (Advanced Postgraduate Diploma) in History, Studies of Security and Defense
EQF level 7

ISCTE – Instituto Universitário de Lisboa (ISCTE-IUL), Lisbon (Portugal)

Degree mark: 16/20. Comprehensive and systematic knowledge in the fields of History, Defense and International Relations.

20/05/2010–24/02/2011

Bachelor's degree in Political Science and International Relations (Dottore)
EQF level 6

Università degli Studi Niccolò Cusano, Rome (Italy)

Degree mark: 110/110 cum laude. Bachelor program classification L-15; general classification: L-36. The program gives training to those who work in businesses and public organs whose functions include setting up institutional and/or negotiatory relationships with other public bodies. The program content is inter-disciplinary and comparative at a European and international scale. The program involves learning foreign languages (English and Spanish) and allows students to acquire communicative and teamwork skills, particularly in the fields of public relations, access to administrative information and documentation, management of data networks and internal and external communications in public and private institutions, that will be of use in professional positions of management in both national and international contexts. The program allows to use your own judgment to address any problems they may be faced with correctly and methodically, and to ensure that you are able to arrive at appropriate solutions, to plan your work, to coordinate your activities, negotiate, handle new technologies in managing complex organisations, both in the private and public spheres.

11/09/2002–01/12/2005

Bachelor's degree in Communication and Society (Dottore) - Curriculum: Institutional communication
EQF level 6

Università degli Studi di Milano, Milano (Italy)

Degree mark: 110/110 cum laude. Bachelor program classification: L-14; general classification: L-20.

Acquisition of the fundamentals of communications and information sciences, of media and audience research, and of media consumption dynamics. Great importance is given to the practical exploration on a variety of issues by means of laboratory- based activities, and to internships in Italian as well as international businesses. Subjects/occupational skills covered:

- basic competencies and skills in the key sectors of the communication professions: publishing, radio, television. the new media, business communications and advertising;

- competencies in ICTs, to be applied to communication and public relations activities in private companies and in the public administration;

- competencies and skills to analyse customers' needs in public and private services and to implement communication campaigns and processes of organisational development, concerning changes in many sectors, on both the domestic and international scenes;

- editorial and journalistic skills, which can be applied to the audiovisual sector and ICTs;

- ability to produce texts and contents for the culture industry (advertising, audiovisuals);

- good command of two foreign languages (English and Spanish) and good command of spoken and written Italian.

20/01/1989–01/10/1992	**Bachelor's degree in Law**	EQF level 7
